Welcome to East End Junior Surf

Happy New Year to all East End Junior surf families. We hope your season to date has been full of fun and learning. It's great to see parents and kids interacting on the beach.

Holiday Break

As mentioned previously, Junior Surf Sundays will recommence on the 16th January 2011 at 10:30am. No doubt there will be lot's of informal training sessions over the holiday period so if you are down the beach keep a look out for us. Just a reminder that if you have any issues, concerns, or great ideas about any aspects regarding the Club in general or more specifically Junior Surf – please talk to me.

NPOB Carnival

Well done to everyone competing at the NPOB Carnival. It was great to say good number of East End kids present, and all smartly dressed in Powerco Rash tops. We must have looked good as we were judged the winner of the March Past – an excellent way to start the day. The surf conditions were testing but the attitude of the kids was fantastic. Special mention needs to go to Isabella Kelly, Jessica Tarrant, and Connor Nicholls as they won all of their events on the day. Finally, I'm please to announce that we captured enough points to win the carnival. East End, 364 just ahead of NPOB on 332.

East End Carnival

Our carnival is on the 23rd January 2011 @ 9am. There will be a carnival meeting after training on the 16th January to discuss what we need in the way of helpers on the day. We will need heaps of help to make the event a success so when asked, please look to volunteer if you are able. We need people to record results, marshal kids, return results to the club house, cook the bbq, set up arena's, etc – many hands make light work!!

We were a few competition caps short for the NPOB carnival. We do have these for sale so if you are able please purchase one in time for our carnival.

Family Fun night

Please mark the 20th Jan 2011 in your diary. This event is an opportunity for the club to raise much needed funds. Tell your friends!!!

Waihi Beach Carnival

Eleven kids proudly represented East End at a Bay of Plenty Junior Surf Carnival on Sunday, 9th January. The competition was tough but we came away with some outstanding results. It was a great opportunity to meet new people and for the kids to gauge their progress against others. Well done to everyone involved

Kind regards
