Fitzroy

Sunday, 6th March 2011

Start time: 2:00pm

Welcome to East End Junior Surf

The new season is nearly upon us so it's time to start thinking about East End Junior Surf again... The weather is steadily improving and the nights are longer. I'd like to think that we had a great season last year and that this year will be even better!!

Coaches Required

If you have been thinking about stepping up into a Junior Coaching role – now is the time!! We really need your help to take a leading role with the kids. There is plenty of support available in the form of Lifeguards and Parent Help. It is fun, exciting, and challenging. There is a Coaching Course coming up. This will give you all the skills required. Please contact me asap to put your name forward.

Club Open Day

When: Sunday, 31st October 2010

Time: 10:30am

Where: East End Beach

This event is a fantastic way to start the season. Be there at 10:30am to register before being treated to a Lifeguard demonstration / relay featuring many of the disciplines used in surf lifesaving. There will be Club tours, IRB rides, and a Slippery Slide available. All welcome.... Bring your friends.

Powerco Sponsorship

Thanks to the hard work of an East End member and the generosity of Powerco; we have been sponsored Rash shirts for the kids this coming season. These will be distributed on the 21st November 2010 to the kids that have paid their sub. We do ask that you indicate in the box provided on the registration form the desired size so we can allocate accordingly. On behalf of the East End Club and all it's members – thanks Powerco!!

Junior Surf Sundays

As mentioned previously, the season kicks off with the Club open Day on the 31st October. The following Sunday, 7th November @ 10:30am there will be a catch up day for those that couldn't make the Open Day. There will be an opportunity to Register and take a look around the club if desired. The first proper Junior Surf Sunday will be:

When: Sunday, 14th November 2010

Time: 10:30am

Where: East End Beach

Hopefully, the weather will be fine. However, we will have activities planned regardless so turn up and be prepared to have some fun.

Weekly Training

Our weekly training schedule is limited to the pool session at 6:30pm – 7:30pm, Wednesday, Bell Block Pools. This is on every Wednesday. Those that will be going for their 200m Safety Badges need to be putting in some training now. We will be testing for these in November. Remember that there is no charge for EE members and parents are welcome to jump in as well!!

The full training schedule will commence in late November. This will be communicated when it is finalised.

Look forward to seeing you all at the beach sometime soon.

Kind regards

Heath

In it for life
