**KEEPING CONTACT DETAILS UP TO DATE – really important:**

Every Member from our club must be registered on SLSNZ member register (from Junior Surf and Social Members to Competing Members).

If you have changed any contact details (addresses, emails, phone numbers (landline and mobile)) please update these on the SLSNZ member site and also with the East End Club.

To update SLSNZ you will need to go to member portal and update your contact details. Each club member **MUST** do this. To access your member portal go to:

<https://webportal.surflifesaving.org.nz/login>

Username is your SLSNZ Membership Number (if you are unsure of your number contact SLSNZ or the Team at East End)

East End and SLSNZ use the email address registered here to send emails to our members so it is vital these are correct. We also use club group facebook pages to publish more general information about the club activities and updates

A new membership swipe card will be handed out and this will replace your old white card ones. When you are at the club, this will need to be on you. They will be linked to your membership file, and if any are lost or stolen, it will be your responsibility to replace it at \$10pc.

All memberships' subscriptions will be due on the Open day October 21<sup>st</sup> 2018.

Uniforms will only be ordered on the 20<sup>th</sup> of each month.

If your family requires assistance please let me know.

Kind Regards  
East End Management Committee.
